5	7	6	7	8	9	10

Confluence 2.0 is Nigeria's leading annual Web3 event, a 3 days hybrid event, packed with learning, building, and connecting to grow blockchain adoption in Africa.

LOCATION

The Assembly,
Ogbomoso,
Oyo State.

DURATION

3 days
(Physical + virtual)

FOCUS

- Technology
- Community
- Education

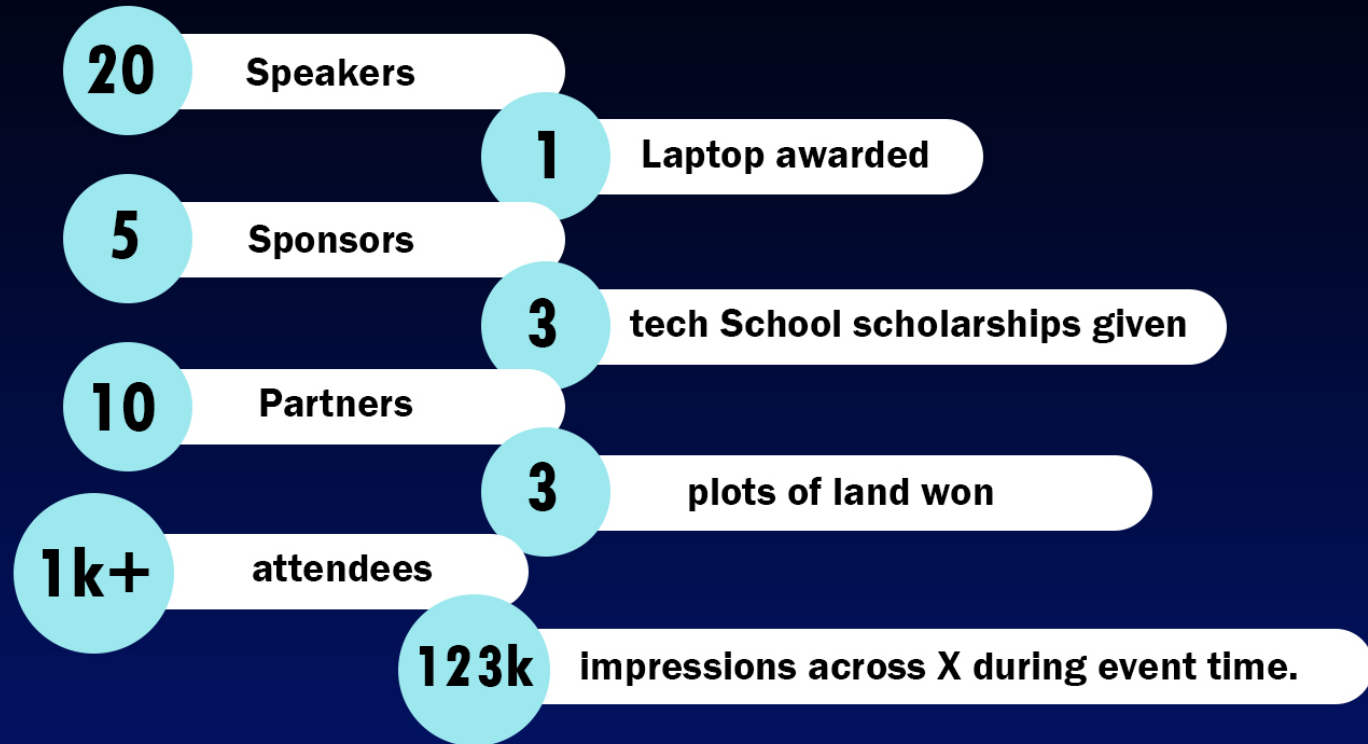

About CONFLUENCE:

Confluence is the biggest Web3 extravaganza in Oyo State -
It is flagship tech conference of Blockchain Lautech, designed to unite students, developers, innovators, and industry leaders at the intersection of blockchain, Web3, AI, and emerging technologies.

Previous Highlights from Confluence 2025

Confluence 2025 ran on two parallel tracks; Developer Track and Community Track
Both featured hackathon, workshops, fireside chats, panel sessions, exhibition,
keynotes, and networking.

Why We Exist

Blockchain Lautech has been championing blockchain education since 2020.

Through

Workshops

Hackathons

**Community
Building**

we've onboarded over 5000 students and created a vibrant ecosystem that connects LAUTECH students to the global Web3 movement.

Growing an Authentic Community
